LETTER FROM THE PRESIDENT

Dear Friends,

It is with pleasure that I serve our profession on this particular board. We have a fine group of optometrists who are committed to the profession and to Missouri Optometry, and in particular to furthering private practice.

Our membership has grown these last two years by 7.9%, thanks to a recruitment program. We have a new website, and invite you to browse it at your convenience: www.mooptfoundation.org

I sincerely hope that if you are not currently a member of the Missouri Optometric Foundation, that you will become one. Any board member is happy to talk with you about membership. It is the right thing to do.

Sincerely,
 Rex A. Newcomb, O.D.
 President, MOF

VISION, MISSION AND CORE VALUES STATEMENTS

Our vision is well-educated Missouri Optometrists
 in private practice.

Our mission is to promote private optometric practice
 in the State of Missouri.

The core values that inform and structure the work of the Missouri Optometric Foundation board are the advancement and the improvement of the profession of optometry by providing scholarships and educational opportunities.

MISSOURI OPTOMETRIC FOUNDATION HISTORY

The Missouri Optometry Foundation (“MOF”), a 501(c)3 corporation, was founded in 1970. The foundation’s purposes are to offer scholarships to optometry students, promote private optometric practice, provide grants for optometric research, and support schools of optometry. The MOF operates on two separate funds. The General Fund includes membership dues and memorials that the board of directors can allocate as it sees fit. The Dr. Wm. R. Jackson Jr. Memorial Scholarship Fund is more restrictive and can be used only for scholarships and grants.
